

**GOVERNING BOARD AGENDA ITEM  
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

---

**DATE OF MEETING:** April 10, 2018

**TITLE:** Educational Support Staff Appreciation Video

---

**BACKGROUND:**

The Governing Board has repeatedly recognized that all school district employees play a vital and valuable role in providing a safe, strong, and successful education to our state's children. After all, it takes many employees of every job description to operate a school district.

The District's Educational Support Personnel (ESP), also known as "Classified Staff" serve in many crucial roles throughout the District, including but certainly not limited to: bus drivers and monitors, carpenters, groundskeepers, secretaries and clerks, food service personnel, and custodians. Each of these people serve our students and the public are essential in creating safe, clean, and welcoming school environments that meet student, parent and community needs..

To recognize the special contributions our support personnel make every day, we have prepared an appreciation video.
