

Lyon County School District Board Memo

Date: December 17, 2024
To: Board of School Trustees
From: BillieJo Hogan, Executive Director of Human Resources
Re: Revisions to LCSD Board Policy GBBU: Use of Tobacco, Smoking, and Similar Products

Recommendation

That the Board of Trustees approve revisions to LCSD Board Policy GBBU: Use of Tobacco, Smoking, and Similar Products for a second and final reading.

Background Information

After each Nevada legislative session, the staff at POOL/PACT (our public agency insurance pool and risk management/human resources support entity) provide school districts with recommended policy changes based on the recent laws that were passed. Updating the LCSD policies to reflect the recommended changes keeps us in good standing with the insurance pool and mitigates our risk and liability.

Policy GBBU now provides more detailed definitions of smoking and smokeless tobacco, including similar products like nicotine pouches that fall under the Nevada Clean Indoor Air Act. All such products are prohibited in any building owned, leased, or contracted by the district.

Budget Considerations
