

# Unity Middle School

December 2021 Board Report

## Semester One Reward Trip

Unity Middle Schoolers are excited about the return of the Semester One Reward Trip! Students will have the opportunity to Ski or Snowboard at Trollhaugen, Rollerblade or skate at Skate City, Ice Fish on a local lake or watch movies at School in late January. As in past years, students who meet reward trip criteria and expectations will enjoy a day of fun as a reward for good behavior and passing grades.

## Dr. Spearo visits the 5th grade

Students in Grade 5 ELA recently had the opportunity to meet a professional Emergency Responder.

Ms. Laura Birling's brother-in-law joined the classes via Zoom and talked about his experiences of working with natural disasters. Students were given the opportunity to ask questions and listen to many of his exciting stories!

## Swimming units under way

Upon return from Fall Break, middle school students began the swimming unit of the PE curriculum. Students enjoyed a "free swim day", after getting reacquainted with water expectations and safety.

## Middle School in Green Bay!

32 students in grades 7 & 8 had the opportunity to take a fan bus to Green Bay, WI to cheer on the Varsity Volleyball Team. The students had a great time and showed a fantastic level of school spirit!
