Subject: Asbestos Removal Bid Summary – Rockland School

Hi Stacey,

On March 20<sup>th</sup>, 2025, we opened bids for the asbestos removal at Rockland School in June 2025. Five qualified asbestos abatement companies provided bids for the work. Husar Abatement was the low bid for a total of \$121,800. Husar Abatement has worked for the District in the past at Rockland School. I am recommending that asbestos work be awarded to the lowest qualified bidder, Husar Abatement.

A summary of the bids is attached for your reference. Please contact my office with any questions.

Cordially,

*Jeff*
