

Optional Device Insurance Program as stated in the Board of Education 1:1 Device Policy

Parents/students have the option of participating in the District's self-insurance program at a cost, which provides limited protection in the event of negligent loss or damage to the device, OR denying the insurance and assuming full responsibility for damage, theft or loss.

The optional insurance program (self-insured, managed by the District) has the following features:

- Covered losses — We will cover direct physical loss caused by accidental damage, unavoidable theft or loss, fire, flood, natural disasters, manufacturer defects, or power surge due to lightning; occurring during the school year. There is \$0 deductible for the first occurrence of accidental damage, fire, flood, natural disasters, manufacturing defects or power surges. There is a \$100 deductible for unavoidable theft or loss (see below).
- Coverage includes burglary/robbery/theft that involves a break-in, force, or other total loss (including when the device can no longer be found) that is otherwise unavoidable despite exercising due diligence (\$100 deductible assessed).
- Leaving the device unattended, failing to secure it per school recommendations, leaving it in an unlocked car, leaving it on the bus, etc. do NOT qualify as a legitimate claim for unavoidable theft or loss. These and similar situations will result in the replacement cost being assessed.
- Accidental damage includes damage resulting purely by accident despite following all guidelines for care and handling of the device. The following are not considered to be accidental damage and are not covered:
 - excessive scratches/wear to device exterior caused by mishandling and poor treatment of the device
 - Intentionally marking, defacing, and/or abusing the device (amusement, anger, frustration, etc.)
 - Damage caused by tampering with hardware components or operating system (i.e. jailbreaking) to alter district configurations

Option 1 - Single incident coverage for the year at a cost of \$10

Option 2 - Two incident coverage for the year. At the end of the year, if only one incident was used, the student may carry one incident to the new year at a cost of \$25

Option 3 - Three incident coverage for the year. At the end of the year, if only one incident was used, the student may carry two incidents over to the new year at a cost of \$45

Option 4 - I **do not** wish to participate in the District's self-insurance policy, and understand that any physical damage caused will result in responsibility for full payment to repair damages or replace the device according to the District 1:1 Device Policy.
