Dear Mr. Mendez,

The Ector County Commissioners Court is in the process of acquiring property to expand the Ector County Cemetery. This expansion is necessary so that we may be able to continue to provide this valuable service to our community. The properties listed below are tax foreclosures that are owned by the taxing entities. I am asking ECISD to consider deeding the school district's share of these properties to Ector County and forgiving the tax liens, the following referenced properties are:

S. Muskingum Avenue Dona Rabb, Block 6, N 60 of Lot 9	Appraised Value:	\$2,184.
Nelson Avenue Dona Rabb, Block 6, Lot 11	Appraised Value:	\$1,092.

As Ector County is the only public cemetery in our County and does not profit from the operation of the cemetery, I believe this to service a valuable public purpose. Please contact me if you would like to schedule a meeting to discuss this further. If this is acceptable, please notify me and I will have legal counsel prepare the appropriate documents.

Yours very truly,

Susan M. Redford
Ector County Judge
