5/11/10 Board Meeting

President Grant, Board Members, Dr. Balentine

Current Project Update:

**I. HEALTH, SAFETY, AND SECURITY**

A. Facility Support Services Center: Construction Documents for the new Facility Support Service Center are complete and have been submitted to the county for permitting.

**II. INSTRUCTIONAL SPACE / PORTABLE REPLACEMENT**

A. Ironwood Ridge High School Classroom Addition: Water main and gas main relocation is complete. Excavation is under way. Underground utility installation and foundation work is scheduled to begin this week.

B. Coronado K-8 Classroom and Fine Arts Addition / Remodel: Construction permits have been obtained by the district. Guaranteed Maximum Price development is under way. At the end of my update, Mr. Mark Bollard of Swaim and Associates will present a virtual tour of the proposed addition.

C. Rillito Center Addition: Programming of the addition at Rillito Center is ongoing. Schematic Design and Design Development documents are complete. These documents are being reviewed by district facility personnel for accuracy and for the completion of Construction Documents.

D. CDO Theater Sound, Lighting, and Theater Updates: Programming of the theater upgrades is ongoing. Schematic Design and Design Development documents are complete and are being reviewed by district facility personnel for accuracy and for the completion of Construction Documents . CDO administration and CDO user groups have

been involved in all programming with a strong emphasis on safety and upgrading the facility to make it an up to date learning environment for the student population.

E. Nash Elementary Classroom Addition: Procurement of a general contractor for this project is under way.

F. Walker Elementary Classroom Addition: Procurement of a general contractor for this project is under way.
