Re: 2014 Track Surface Replacement at Burnsville High School, Independent School District #191

Dear Mr. Simon:

We have reviewed and evaluated the bids received for the above referenced project. Fisher Tracks submitted the low qualified bid for Bid Item #1 in amount of \$196,605.00, Add Alternate 1 for \$3,985.00, Add Alternate 3 for \$55,440.00 and the addition of four crossover zone track protectors (Unit Price 3) for \$1,825.00 and a contract total amount of \$257,855.00.

Following the bid opening, we discussed the bid results with Ryan Pestotnik of Fisher Tracks and they indicated they would be pleased to complete the work for their submitted Bid as discussed above for a contract total amount of \$257,855.00.

SRI's staff has reviewed references and has past work history with Fisher Tracks and it is our opinion they are capable of performing the work as specified. We would like this letter to serve as SRI's formal letter of recommendation for Fisher Tracks to perform the Track Surface Replacement for Independent School District #191 this year at Burnsville High School.

Sincerely,

SRI CONSULTANTS

(H. Arends)
Joseph Bohrod
Senior Project Manager

CC: Ryan Pestotnik, Fisher Tracks
