

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Curriculum

Students at SGE recently participated in the Hour of AI, an engaging learning experience formerly known as the Hour of Code. Throughout the activity, students explored how artificial intelligence can be used to solve problems, make predictions, and support everyday tasks. They enjoyed hands-on challenges that encouraged creativity, critical thinking, and collaboration. It was an exciting opportunity for students to build future-ready skills while having fun with technology.

School Celebrations

The SGE staff would like to recognize Mr. Dave Hiller, who will be retiring on January 2 after nine years of dedicated service to the district. Mr. Hiller has served as the Head Custodian at Spring Grove Elementary, and he will be greatly missed by students, staff, and families alike. His hard work, reliability, and commitment to going above and beyond the call of duty have made a lasting impact on our school community. We wish Mr. Hiller all the best in his well-deserved retirement!

Upcoming Dates
