Recommendation(s):

Approval of the proposed DLVA Charter Contract amendments as presented.

Purpose:

The purpose is for the WAWM School Board to approve the proposed charter contract amendments as presented.

Background:

DLVA has presented proposed charter language amendments (see below) to the Leadership and Learning Board Committee as well as, most recently, the Full Board in a workshop session. DLVA now seeks formal approval of its proposed changes to the charter, which includes the dissolution of the elementary grades (K4-5). Approval for these actions has already been granted by the DLVA Charter Governance Board during its December 12, 2024 meeting, with the decision documented in the official meeting minutes.
