Background information –

The purpose of the agenda item is to modernize the existing elevator located at Hays HS in the CTE Building C. ThyssenKrupp installed the equipment in 1998, but the technology is actually from the 1980's and there are major components that are now obsolete. TK Elevator is no longer manufacturing the printed circuit boards or the door operator for the Dover DMC hydraulic.

Per Hays CISD Construction Standards, the district uses TK Elevator on all new installations.

We received three proposals total, two for modernization and one for replacement.

The other two proposals were:

- TK Elevator (new installation) \$101,314.
- Schindler Elevator (modernization) \$77,505
