Re: Bid Results for the Fleet Fuel

We would like to discuss the bid results for fleet fuel at the Monday, August 11, 2014 Finance Committee Meeting. Operations Administrator Harry Lau is recommending the low bidder RKA Petroleum Companies, our current vendor. Please see the attached recommendation letter and bid tabulation sheet. As you can see, the difference in pricing between vendors is nominal. The cost for diesel fuel is down slightly from 2013-14 (18¢ per gallon), while gasoline is up (4¢ per gallon).

As always, let me know if you have any questions. Thank you.
