School Improvement

In line with our goal of supporting student academic success through MTSS, our school counselor, graduation coach, contact teachers, and principal have begun monthly meetings focusing on our Tier 2 and Tier 3 students.

Additionally, the principal will be in Juneau attending the *Alaska Council of School Administrators Fly-in* beginning February 26.

PACE staff continue to meet monthly to review school goals, further expand curriculum options, and develop ways to help our students and families.

Other

- The MLC move to its new location is complete. They are loving the new space!
