Pam,

I just wanted to take a moment to thank you for the high quality program you ran at Rupert Elementary. I had 3 students enroll in your Boys and Girls Club part way through the year. These students struggled with the availability of reading/ academic assistance at home because of various reasons. When I enrolled these students I was seriously considering the possibility of retention because of slow academic growth. Through the help they received from your program my students made exponential academic gains and I am happy to report I have recommended these students advance to the next grade. Your willingness to assist me in making sure they were getting the extra practice they needed had changed their lives. Thank you for all you do, and for the difference your program makes.

Kassey Koyle, Rupert Elementary -1st grade teacher

- “I like the Boys and Girls Club because you make new friendships, learn a lot of things and it keeps me entertained.” -Tonya age 11
- “What I like about the Boys and Girls Club is you learn new things and make a lot of friends and you meet new people.” -Valeria age 10
- “I like the Boys and Girls Club because you learn new things and that we have different camps during the summer.” -Alexis age 11
- “I like coming to the club to see and hang out with my new friends.” -Jeremiah age 11
- “I like the Boys and Girls Club because it helps me get out of my house and not play video games all day and I get to meet and make new friends. Also they helped me during the school year to get my grades up to passing.” – Alex age 12
