- A local man has donated many bicycles to our school and given to students in need. To date he has donated nearly 50 bicycles to students at Lorna Byrne. We have nearly 45 students riding their bikes to school now!
- Sports: LBMS had 80 participants this fall in our sports programs. Volleyball had 38 athletes. Football had 42 athletes. Each program sported new uniforms. The new uniforms look great and we have been very lucky to have the support from the community to purchase these items. The football program also finished the season 5-2-1. Both losses came in the final minutes of the game.
