

Board of Education

INFORMATION

TITLE: Curriculum and Instruction Snapshot Data Review, Fall 2025

DATE: December 15, 2025

RESPONSIBLE ADMINISTRATORS: Dr. Kim Starr
Director of Elementary Education

Dr. Tony Jones
Director of Secondary Education

BACKGROUND/CONSIDERATIONS:

School and district administrators, as well as other instructional staff, regularly observe classroom instruction. Data pertaining to our district Instructional Model is collected through the use of the digital snapshot tool. The individual classroom, aggregated school and district data, are used to identify areas for further support. This [presentation](#) will compare Fall 2024 data with Fall 2025 data.

RECOMMENDATION:

This is an information only item. No action required.
