

IN-SCHOOL DISCIPLINE

It is the purpose of this policy to provide an alternative to out-of-school suspension. The availability of in-school discipline options is dependent upon the financial ability of the Board of Education to support such a program.

In-school discipline will only be offered at the discretion of the building principal for offenses found in the Student Code of Conduct.

The Superintendent is to establish administrative guidelines for the proper operation of such programs and to ensure that appropriate due-process procedures are followed as applicable.
