Local Board of Trustees Certification, 2006

Legal Citation:

Texas Education Code §31.101 requires that, each year, the board of trustees of each district and the governing body of each open-enrollment charter school notify the State Board of Education of the textbooks selected by the board of trustees or governing body for use in the following school year. The law also requires that the board of trustees or governing body notify the State Board of Education if the district or charter school has selected textbooks, in the enrichment curriculum only, that are not on a conforming or nonconforming state-adoption list.

Certification:

We, the president and secretary of the local board of trustees, or the officers of the governing body of the charter school, certify that the selections recorded on either the *Annual Requisition for New Instructional Materials*, or transmitted via EMAT Online, have been selected for use in our district or charter school.

We understand that all textbooks adopted by the state are appropriate for use in the Texas schools and districts may choose any materials from the state-adopted lists. If the board of trustees or governing board does not wish to select a particular title adopted by the state and wants to prohibit the district or charter school from ordering the title at a later date, we have noted the title(s) below.

If our district or charter school is selecting materials in the enrichment subject areas that are not on a conforming or nonconforming list of adopted materials, we certify that those selections are listed below. We understand that 30 percent of the cost of those materials or 30 percent of the maximum cost of the materials will be borne by the district or charter school.

We understand that our selections are final, and we may not return copies of one title to secure copies of another title in the same subject.

Ruth, can this wait until the April board meeting? It may be too late to get it in March's. If it has to go in March, let Marilyn know. Marilyn, you will have to talk to Minnie about putting a page in the consent agenda. We have done this before so Minnie can look at last year's agenda and find an example of the agenda page. Thanks.
Nancy
