Subject: Foundation Report

The foundation held a meeting on September 10, 2025. Recently CIBC, the bank of the foundation, notified the foundation that CIBC would be closing its Minooka branch. By doing so, the closest CIBC branch is located in Worth. The foundation decided that it should look for another bank that is local. The next foundation meeting will be held on October 7, 2025 at 4:30.
