Football and volleyball practices are underway. Coach Voyles reports that he has 39 practicing football and Coach Kunz has 23 girls playing volleyball. Students will be picking up their schedules this week. I am in the process of interviewing for both the secondary secretary position and the teacher's aide position. We have had a number of very qualified and impressive applicants for both positions.

I and all the members of the high school and junior high appreciate the time, effort, and wisdom that school board members give on our behalf. We recognize that without the

great leadership from the school board and Mrs. Renken our direction of continued and greater success would not be possible. Thank you very much.
