Purpose/Background:

The District's Business Local Calling Plan with AT&T is up for a twelve month renewal.

District Legal Counsel has reviewed the Service Agreement and Contract and found it acceptable. Counsel did note that the Agreement does contain a mandatory arbitration clause, which AT&T is unwilling to negotiate on. As this is typical of standard telephone service agreements and has been a part of previous contracts between the District and AT&T, Counsel did not view its inclusion as problematic.

Fiscal Impact:

\$65 per month per line

The District paid \$65 per month per line in 2019-20 with AT&T

Recommendation:

It is the Administrative recommendation that the Finance Committee concurs to recommend to the Board of Education to approve this Agreement from AT&T for Business Local Calling Services in the amount of \$65 monthly per line from August 2020 to August 2021.
