Re: High School Principal Report Oct 2021

Greetings from HHS!

We are closing in on the end of the first nine weeks here at HHS! Homecoming week was a fun filled week with lots of activities and events going on here at the High School. As we wrap up the first quarter of school on October 14th, please be sure to touch base with your child about grades, school work, and ensure they are finishing the first quarter as strong as possible. The PBIS theme for the month of October will be "Responsible" and we will continue to identify students that are displaying the characteristics we desire to see in them being responsible here at school. Along with PBIS we are reigniting our Sources of Strength program here at HHS and this is something we are very excited about. Please see information in this newsletter regarding our SOS program! We are looking forward to continuing the work of equipping our students with the skills necessary to achieve their dreams! We ask that you stay involved in our school activities throughout the school year, continue to support our students and to continue to build on the rich tradition of school pride we have here in Homedale!

Fall Enrollment-

Freshman-	Male 56 Female 53
