Description:

Multi classroom teachers (MCL) are master and distinguished teachers who teach and take on leadership responsibilities to coach, model, co-teach, and guide colleagues in Opportunity Culture Schools.

Opportunity Culture Texas is grounded in Public Impact’s research on school models designed to extend the reach of excellent teachers. These excellent teachers reach more students directly through instruction and indirectly through teacher leadership responsibilities as they support a team of teachers. Teacher leaders responsible for this specialized work are paid more to do so—all within existing budgets.
