

## December Athletics Board Report

All teams are in basketball season.

Last week, both 8th grade junior high teams beat Canadian at Canadian, so that is a big feather in their hat! Both JV teams won the Gruver JV tournament! The varsity girls pulled out a big win over a very talented Berger team, and the boys got their season started on a high note with a dominating performance vs. White Deer. Junior high teams are playing on Monday nights with the exception of Jan. 7 at Booker which is a Thursday, high school teams every Tuesday and Friday, with tournaments during December. Over the Christmas break, the varsity teams will be competing in the Gruver Holiday Classic.

We have several boys out for high school basketball, so we have tried to schedule some extra JV games to be played on Monday nights, and after Christmas they will have 4 games, depending on grades/ and the other schools keeping their teams intact. Beginning Jan. 11 @ Miami, Jan. 18 Home vs. Canadian, Feb. 1 home vs. Miami, and Feb. 8 @ Panhandle.

Upcoming calendar events:
