## Principal's General Narrative:

Brackett ISD has been challenged with the tragedy of losing the Koontz family and it has made the month of April challenging for the students of Brackett ISD as well as the entire staff and community. I must say as I have been a first hand witness to almost every phase of the situation it makes me proud to be a part of this school organization and community. It will take a long time for the healing but the caring staff and community at Brackett ISD is a great situation for our students.

Our UIL teams competed a regional at Brenham and were very successful as well as two students who qualified for regional golf. Six students competed at regional track with one student qualifying for the state competition at Austin on May 10<sup>th</sup> and 11<sup>th</sup>.

Our Boys Baseball team is now headed for the regional game against Ben Bolt High school in San Antonio this Friday. Congratulations to a great set of students that have represented Brackett ISD during a challenging month.
