Subject: FOIA Request- AP Scholar Awards
To: <bheinrich@panaschools.com>

To whom it may concern,

I am a news reporter from South Central Reporter, a media organization committed to providing comprehensive and accurate news coverage on local governmental affairs. I am requesting the following records under the Illinois Freedom of Information Act, 5 ILCS 140, preferably in electronic format:

Names and honors of all students in your high schools recognized by the College Board as AP Scholars.

As a member of the media, I am involved in gathering and reporting news to the public. Access to public records is essential for me to fulfill my professional responsibilities, which include holding public institutions accountable and providing transparency to the public. Given my role in disseminating information, I believe I am eligible for a fee waiver as a media professional.

Please let me know if you have any questions,

Owen Wang,

South Central Reporter

We had 0 students qualify for AP Scholar. In order to achieve AP Scholar status a student must take four or more AP exams and have an average score of 3.25. We have not been able to offer 4 exams until this year. If you have any questions let me know.
