## HOMELESS STUDENTS

---

Homeless students in the district will have access to services needed to ensure that an opportunity is available to meet the same academic achievement standards to which all students are held.

A liaison for students in homeless situations will be designated by the district to carry out duties as required by law.

The district will ensure that homeless students are not stigmatized nor segregated on the basis of their status as homeless. A homeless student will be admitted, in accordance with the student's best interest, to the district school in the attendance area in which the student is actually living or to the student's school of origin as requested by the parent and in accordance with the student's best interest or enroll the student in a district school in the attendance area in which the homeless student is actually living, unless contrary to the request of the parent or unaccompanied student. Transportation will<sup>1</sup> be provided to and from the student's school of origin at the request of the parent, or in the case of an unaccompanied student, the district's liaison for homeless students in accordance with law.

The superintendent will develop administrative regulations to implement this policy to remove barriers to access and participation by homeless students.
