Policy adopted: September 19, 2011

WOODBIDGE PUBLIC SCHOOLS
Woodbridge, Connecticut

Replaces current Policy 0200 in its entirety

Mission-Goals-Objectives

District Goals

The Woodbridge Public School system is committed to increasing student achievement by:

- Improving the quality of curriculum and instruction.
- Providing a safe and supportive environment in which everyone behaves responsibly and respectfully towards others.
- Providing the facilities necessary to conduct an educational program of the highest quality ensuring the most stimulating and effective learning environment.
- Providing effective communication with students, staff, parents and the community at large.
- Examining and evaluating the effectiveness of all district programs from both student achievement and fiscal perspectives, supported by the analysis of data.

Adopted by the Board:
