Re: Board Report March 2026

Goal: Portrait of a Graduate

- CHS senior Benjamin Van Hoek advanced from the Semi Finals to Finals standing in the National Merit Scholarship program. This is earned by demonstrating distinguished performance and high potential for future academic accomplishment based on his 2025 SAT scores. He will find out this month if he is chosen for the National Merit Scholarship.
- Our Quiz Bowl team qualified for Nationals again this year. They will be heading to Atlanta in May to compete.

Goal: Engagement

- Tuesday, March 3rd, Link Leaders hosted 140 freshmen for a cocoa and cram study session to help prepare them for their trimester 2 final exams. That is 72 percent of the class. It was a very successful event that also allowed freshmen to connect with their link leaders.
- The Chelsea Music Department is hosting two events this month: Chelsea Choir will be hosting 71 choirs from 30 schools across our region for MSVMA Choral Festival during the school days of Thursday March 12th, and Friday March 13th. On March 21st we will also host the Band and Orchestra State Solo and Ensemble Festival. These events highlight the strength of our arts programs and give our students meaningful, authentic performance experiences.
- March 7-8, Chelsea High School will host a high school robotics competition for the first time in our district's history. We will welcome approximately 40 teams from across the state to CHS for this two-day event. Planning has been underway since this past summer, and we are proud to serve as an official event host. This opportunity not only showcases the strength of our robotics program, but also positions our high school as a regional site capable of supporting large-scale academic competitions. Good Luck to the Robotics team as they will compete with the 115 pound robots they built that are designed to shoot foam balls into goals in the center of the field before climbing a ladder-like structure at the end of each three-minute match.

Goal: Health and Safety

- Our students began scheduling their sessions for the second annual Wellness Day, on March 11th. We are thankful for our 22 community partners that will be hosting a number of **sessions** for students to pick from and attend. Chris Simpson also worked with our staff to prepare a special tasting menu for our students that day.

Upcoming Dates/Events:

3.7-3.8 CHS to host First Robotics Event
3.11.26 Student Wellness Day
3.12-3.13 MSVMA Choral Festival
3.26.26 BMS/CHS Jazz Band Concert
3.27.26 Chelsea Unified Basketball Game

Sincerely,
Amanda Clor
