Any changes to the menu made after Institution approval must be agreed upon by the Institution and documented on the menu records. Menu items may be adjusted in writing by the mutual consent of both parties. However, the Vendor shall adjust the menus at the request of the Institution whenever the Institution determines certain items to be unacceptable. Such items can be determined to be unacceptable because of (1) a monotonous diet resulting from items served frequently or the similarity to other items; (2) the nutritional needs of the students; (3) susceptibility to spoilage; and (4) excessive waste resulting from unpopularity of items with students. Such adjustments shall be made at the earliest convenience of both parties, but in no instance later than one week after request except that in the case of spoilage adjustment shall be made in such a manner that the children in attendance on the day spoilage is discovered shall receive acceptable meals meeting meal requirements.

The Vendor agrees to forfeit payment, except in cases due to uncontrollable events or causes beyond its reasonable control, for meals which are not ready within one (1) hour of the agreed upon delivery time, are spoiled or unwholesome at the time of delivery, or do not otherwise meet the meal requirements contained in this Agreement. An interest payment equal to one percent per month (or portion thereof) on any delinquent amount owed under this Agreement may be charged. The Institution shall notify the Vendor within 48 hours of receipt of any discrepancy in the invoice. The Institution shall pay the Vendor for all meals delivered in accordance with the agreement.
Neither ADE nor USDA will assume any liability for payment of the difference between the number of meals prepared and delivered by the Vendor and the number of meals served by the Institution that are eligible for reimbursement.
