June 20 – School Board Meeting – Administration – 7:00 PM

B. Career Tech Successes

The week of May 2nd was a great week for our CTE program in AISD!

The sixteen first year Certified Nursing Assistant students in our program all passed the certification tests and will graduation on June 2nd. The students did a fantastic job and now have a career path after graduation.

A number of these students will use the certification as assistance in application to Registered Nursing programs while others will begin their careers after graduation as CNAs.

In addition, in the first year of University Interscholastic League competition, both of the AISD Robotic Teams have qualified for the state championship meet in Austin during July.

A great start to two brand new programs!

C. Enrollment Update

At this writing, there are a total of 5,172 students enrolled in our District. This mark is 8 students short of the projected 5,180 students we planned on attending Aledo ISD during the 2015-16 school year.

D. District Summer Hours

The District summer schedule will begin on the week of June 6th and continue through the week of July 25th. District offices will be closed each Friday beginning on the weeks referenced.

In addition, the District Administrative offices will be closed the week of July 4th. While central administrative staff will be present, the offices will be closed to the public during that week.
