Item Title:	Recognition of the 2024 Texas Business Professionals of America Distinguished Administrator of the Year Award		<del></del>	_ Action _ Informa _ Discussion	

## **BACKGROUND:**

The Texas Business Professionals of America (BPA) organization plays a crucial role in preparing students for successful careers in business and related fields. Administrator support within schools and educational institutions is paramount for the effective functioning and success of BPA chapters.

At BECHS, we pride ourselves on providing unwavering support to students, nurturing their talents and fostering their growth both academically and personally.

Today, I am sharing with you a shining example of this commitment to student success. Our very own principal, Dr. Rachel Ayala, received the 2024 Texas Business Professional of America Distinguished Administrator of the Year Award. This prestigious accolade recognizes Dr. Ayala's exceptional leadership and her tireless dedication so supporting not only the organization, but more importantly, our students at BECHS.

Please join me in congratulating Dr. Rachel Ayala on this well-deserved honor.
