Tonight is our parent/senior night.

Baseball

At the end of March 2024 the Varsity Baseball team is, 15-4 overall and 2-1 in district. Highlights from the Month of March were winning the Floresville Tournament where So. Austin Davidson and Jr. Matthew Villanueva were selected to the all Tournament team. In the final Tournament of the year at Hallettsville we finished 2-2: beating Giddings and state ranked Hallettsville. Sr. Ryan Tatom and Jrs Craig Heiman and Colt Brown were selected to the all-tournament team. Over spring break we traveled to Poth and Johnson City, and came back with 2 wins. On Friday March 22nd right before our district opener vs Gonzales we had our annual Teacher Appreciation night, members of both the JV and Varsity Teams invited teachers to be recognized at this event, the turn out was amazing.

Going into April we have the heart of our district schedule ahead of us and look to finish the season strong as we push towards the playoffs.

Tennis

Navarro Tennis has been on the road for the month of March before attempting a dual match against LaVernia that was called off due to rain. There have been several impressive wins in both the Canyon Lake and Fredericksburg tournaments, and the LaVernia dual was falling in our favor before being cancelled. Panther tennis has also been hosting intersquad matches to promote competition and confidence within the team itself. Looking ahead, Tennis will compete in the San Marcos tournament as well as the Pleasanton tournament before entering into the district tournament hosted by Boerne in late April. We have a young team that has been wrapped up in a competition realm that will only enhance our play. We are excited for what's to come.
