Dear Mr. Sugg,

Please accept this notice of resignation from Sheridan School District as Special Programs Director effective July 31, 2013. I am committed to fulfilling my obligations, and assisting my successor in a successful transition.

This decision to leave Sheridan after eight years of service has not come easily. I love the community, schools, staff, and students of Sheridan School District. I sincerely appreciate the opportunities, experiences, and knowledge I have gained during my career in Sheridan. I have enjoyed working with an amazing team of educators committed to greatness. If there is anything I can do to provide a smoother transition during my remaining weeks, please feel free to let me know.

Sincerely,

Candace Pelt
