# PSEO Changes for 2025-26 School Year

## No Open Periods for PSEO/CIS Courses.

- Does not really change anything except students will have to attend Royal Hour next year vs having it open.
- Students who have 12 PSEO credits are considered full time and have the choice to supplement their schedule with HS Courses they need for meeting grad requirements.

## Withdraws

- Students who withdraws from a course after the allowed drop date will receive a failing grade on their HS transcript.
- The school still pays for the PSEO course but the student has zero consequence in this situation.

## Future

- We are working with other schools in Region 5 with regard to PSEO and CIS options for the future.
  - This also includes some advocacy with the legislature regarding our concerns about the current state of PSEO.
