***District Priority Goal-Improvement of the Positive Parental Involvement**

Waskom ISD Education Foundation is being created to award individual teacher grants to the teachers on all three campuses. The individual teacher grants will be small monetary amounts of funding to encourage teacher creativity in planning and implementing classroom lessons. Teachers will be allowed to submit grant applications for these creative classroom projects throughout the 2013-2014 school year. Parents will become involved with the Education Foundation by serving on the Board of Directors and assisting with fundraising.

The Elementary School partnered with the PTO to host an Open House and Ice Cream Social. The idea was to give parents an opportunity to not only visit with the teachers, but to also get parents involved in a positive way through joining the organization and becoming actively involved.

The Middle School is involving their parents by using the "Principal's 200 Club." After a student receives a ticket for good behavior, the teacher makes a personal phone call to the parent to congratulate the parent on the fact that their child was caught exhibiting a good appropriate behavior. These personal phone calls will help the parents have a good attitude about the school and bring praise to their child because of the phone call.

*District Priority Goal-Improvement of the Positive Student Behavior Program

Waskom ISD Education Foundation is being created to award individual teacher grants to the teachers on all three campuses. The individual teacher grants will be small monetary amounts of funding to encourage teacher creativity in planning and implementing classroom lessons. Teachers will be allowed to submit grant applications for these creative classroom projects throughout the 2013-2014 school year. Student behavior will be improved because of the creative classroom projects. Students will be more motivated to participate in the classroom lessons. When students become involved in the classroom lessons their behavior will improve.

The Elementary School is currently implementing a "Caught Being Good" Program. Elementary Staff Members are allowed to put a student's name in a drawing box whenever they see a student doing something kind or thoughtful for someone else. Drawings are held weekly to award prizes to the selected students.

The Middle School is currently implementing a program called "Principal's 200 Club". The goal of the program is to promote positive student behavior. When a student is "caught" being good, a teacher stops the student, describes the positive behavior they observed, and gives the student a ticket. During lunch, the student brings the ticket to the office, signs the Celebrity Book, and draws a number to play in a really big Bingo-type game. The student's parents are then called and congratulated for their child's appropriate behavior. Every 2 to 3 weeks, ten students win the Bingo game and earn the Mystery Motivator.

*District Priority Goal-Improvement of the District Financial Condition

Waskom ISD has developed and implemented a balanced maintenance and operation budget for the past 12 years.

The Financial Integrity Rating System of Texas (TEA) ranked Waskom ISD with a "Superior " rating for the 2010-2011 school year.

Waskom ISD has been rated "Superior" for the past 11 years by the Financial Integrity Rating System of Texas. (TEA)

The FIRST rating for the 2011-2012 school year will not be finalized until June of 2013.

The FIRST rating will be "Above Standard" for the 2011-2012 school year because of the "District Unacceptable" academic rating.

I personally believe that our school district is very healthy financially even though we are experiencing concerns with our academic program.

The undesignated fund balance has been above the 2.2 million dollar goal for the past three years.

The undesignated fund balance for the past three years is as follows:

August 31, 2010	\$2,449,125.04
August 31, 2011	\$3,188,699.96
August 31, 2012	\$4,329,670.85

*District Priority Goal-Improvement of the District Physical Facilities

*Superintendent has given monthly reports on the progress of school facility improvement projects.

*Long Range Plan for Waskom ISD Physical Facilities

I am currently implementing a proactive plan for the regular maintenance of the District Physical Facilities. The plan will involve maintaining a crew of six maintenance employees throughout the school year. I will have two maintenance employees work one Saturday per month to accomplish tasks and repairs that can't be accomplished while school is in session. These tasks and repairs include power washing, painting and general maintenance. The maintenance employees who work on Saturday will be given a comp. day during the regular week that they are required to work on Saturday.

*The following major facility projects have been completed this school year:

Complete renovation of two restrooms in the T-bldg. at the high school.

Asphalt paving and sealing of the front parking lot at the Elementary/Middle School.

*The following major facility projects are currently in progress:

Painting/coating of metal roof panels at the Elementary/Middle School that are peeling.

Construction of a 16' x16' metal building to be used as a Press Box/Concession Stand at the High School Softball Field.

Renovation and addition of bleachers at the High School Football Stadium.

*The following are future major facility projects:

Asphalt paving and sealing of the back parking lot at the Elementary/Middle School Parking Lot.

Artificial turf at the High School Football Field.

Re-surfacing the track at the High School Football Field.
