

Dixon High School

June 2026

HATS OFF TO THE GRADS

On a beautiful Sunday afternoon, Dixon High School hosted the Class of 2026, along with faculty, family, and friends, to celebrate graduation at A.C. Bower's Field. This momentous occasion served as the capstone for many students, recognizing their hard work over the past four years. Speeches from Board of Education President Linda Wegner, Principal Jared Shaner, Valedictorian Esther Mertes, Salutatorian Garrett Helfrich, and Class President Daniela Lovett highlighted the accomplishments of the class while emphasizing the importance of staying true to oneself, being present in the moment, and giving back to the community. The Class of 2026 gave Dixon High School much to celebrate, and their presence will truly be missed as they begin the next chapters of their lives.
