RE: Approval of Transfer Resolution to Debt Service for Capital Lease Payments

DATE: May 10, 2022

Summary

Annually, the Board of Education approves a transfer from the Educational Fund to the Debt Service Fund to cover the payment of various capital leases the District is obligated on. The Illinois Program Accounting Manual requires that all long-term lease payments be recorded in the Debt Service Fund. The funding source for these expenses is a budgeted transfer from the Educational Fund, which requires Board approval through resolution. The purpose of these transfers is to properly record expenditures and reflect correct balances in each fund.

Attached is the resolution to transfer \$1,179,728 from the Education Fund to the Debt Service Fund to cover payments under various purchase leases in the following amounts:

- Apple (Student iPads) - \$619,458
- Providence Capital (Chromebooks) - \$435,660
- Cisco (Telephone Communication System) - \$42,140
- Canon (Copiers) - \$82,470
