RE: Roosevelt Readiness Summer School Class 2021

Background

District 90 is intending to offer its Roosevelt Readiness class to rising fifth grade students as part of its in-person Summer School 2021 programming. Roosevelt Readiness prepares students for the many aspects of Roosevelt Middle School to support a smooth transition from elementary school to middle school. The class curriculum consists of the following elements: team-building games, school tours, social-emotional learning activities, “meet the teacher” opportunities, academic tips for middle school, and a dedicated time for a question and answer session with Roosevelt student ambassadors. Interested families will have the option to choose from multiple two week sessions designed to accommodate every rising fifth grade student who wishes to attend. The Roosevelt Readiness registration fee is \$70.

Next Steps

District 90 anticipates that COVID restrictions will remain in place this summer; therefore, the class will continue to adhere to District 90 health and safety measures. Class size is anticipated to be 14 students per session to comply with Illinois Department of Public Health social distancing recommendations. Roosevelt Readiness information is included in the Summer School 2021 brochure that will be posted on the District 90 website for community viewing the week of February 16, 2021. Summer School registration will officially open on the afternoon of March 6, 2021.
