

Assistant Superintendent Report Related to Division 22 Assurances

School district superintendents are required by OAR 581-022-1610 Operating Policies and Procedures to report to their communities the district's standing with respect to the Standards for Public Elementary and Secondary Schools as set out in OAR Chapter 581, Division 22. Following that report, districts are asked to complete and return the annual Elementary and Secondary Schools Assurance Form. The deadline for submission is April 15, 2014.

The requirement to submit the Assurance Form had been suspended for the past two years. That suspension is now over, and the requirement to submit the Assurances to ODE is back in place. However, as part of the Oregon Department of Education's mandate relief efforts, the 2013-2014 Assurances process has been simplified.

We are now in the process of going through each requirement and making sure we are in compliance with each OAR. If upon our review we find that we are not in compliance with any of the rules in Division 22, We shall identify the rule(s) and attach documents to ODE that describe the district's process to come back into compliance with the rule(s).
