Corrina:

There's a lot the board hasn't been able to do these last 8 months and traveling is one of them. I am assuming that the board has some funds in both our elementary and high school budgets to donate \$1,000.00 to the Lights on After school event.

If this is something that needs to be approved by the board please place it under approvals on the next board agenda and place my name on it requesting. I would like the board to donate \$500.00 from elementary and \$500.00 from high school line items under the boards budget.

It's for the kids and I don't think anyone would disapprove given to this event.

Thanks
Donna
