

May 23, 2011

Dear Mr. Huber-Kantola and Board Members,

The enrollment at North Valley High School consists of 144 9th graders, 152 10th graders, 150 11th graders, and 138 seniors for a total of 584 students. We have set some goals for the year; increase our enrollment and we have met this goal. One of the major goals was to increase communication between our school and the parents/guardians of our students. We have achieved this by signing up more than 403 parents on Parent Assist.

The other major goal we have been working on is our attendance. We want our students to come to school. If they are present we can accomplish many of our foundation goals. The 3rd trimester numbers show we have increased our enrollment; March of 2010 our enrollment was 90.27% in **2011 we are at 92.28** an **increase of 2.01%**. April 2010 our enrollment was 89.40% currently, we are at **90.91% which is an increase of 1.51%**. Our cumulative numbers are 91.68% just under the magic number of 92%. We are working hard to get to 92% by the end of the year.

We have increased our technology in our school; we put in a new 30 seat computer lab equipped with a teaching station which is being used just about every period of every day. We also installed active boards in all of our math and science classrooms and have conducted workshops on how to use this new technology in curriculum of these two subjects. Greg Osterman, Rob Saunders, and Mike Durrant have been resources for our teachers when it comes to technology and specifically, our math curriculum and best practices as it relates to the active boards. As a result of these products we have really done well to meet the state requirement of testing 95% of our students in State Wide Testing. This would have been real difficult to meet AYP without the new computer lab.

Our Accreditation went extremely well with nothing but accolades and positives from the Accreditation team. We are very proud NV stood out to the evaluation team in every category.

As of May 4, 2011 our Oregon Assessments of Knowledge and Skills (OAKS) scores have exceeded our School Action Plan goals. Listed below are North Valley's % in 2010-11, our current numbers, and the state wide %.

May 5, 2011 Data for Oregon Assessments of Knowledge and Skills (OAKS)

Areas Tested	Goals % School Action Plan	Met or Exceeded so far this year	Met or Exceeded	State %
YEAR	2010-11	2010-11	2009-10	2009-10
Math	65%	67.38% 45 have not met	58.3%	56.3%
Reading	80.0%	83.0% 21 have not met	76.9%	71.3%
Science	75%	79.4% 27 have not met	71.2%	60.2%
Writing	53%	54.6 39 not met 22 students are testing this week	48.4%	53.1%

North Valley's increase so far this school year in:

Math is 9.08 %

Reading is 6.1%

Science is 8.2%

Writing is 6.2%

North Valley will meet the minimum requirement of 95% students tested 2010-11

Compared to 2009-10 State Standards %

North Valley

Math 67.38%

Reading 83.0%

Science 79.4%

Writing 54%*

We still are testing 22 students

In Writing as of 4/19/11

State

Math 56.3%

Reading 71.3%

Science 60.2%

Writing 53.1%

We had a number of people contribute to landscaping the front of our school. From the initial phase of plans on paper to the final product, the end result is NVHS has something very special to look at as they approach our front doors.

Rob Money coach of the year and the NVHS Speech and Debate team won their 2nd state championship in two years. Several of the championship team has earned their way to Nationals in the summer time.

Finally, we have great representation on the Dairy Farmers of Oregon. The OSAA recognized our Speech and Debate team with an average GPA of 3.65, Boy's Golf who took 4th in the state with a 3.36 GPA, Softball GPA 3.71, Baseball GPA 3.54, Track and Field GPA 3.38, Girls GPA 3.66, and Girls Golf GPA 3.79 is quite the accomplishment.

Respectfully submitted,

Jeff Weiss
Principal
