BP 6161.2 DAMAGED OR LOST INSTRUCTIONAL MATERIALS AND EQUIPMENT

Note: The following sample policy may be revised or deleted to reflect District philosophy and needs

The School Board recognizes that instructional materials are an expensive District resource. The Superintendent or designee may establish procedures in accordance with law to protect instructional materials from damage or loss.

Instructional materials and equipment provided for use by students and staff remain the property of the District. Students and staff are responsible for maintaining and returning ~~borrowed~~ materials in good condition, with no more wear and tear than usually results from normal use.

When materials and equipment are lost or so damaged that they are no longer usable, the student or staff shall be responsible for reparation (compensation) equal to the current replacement cost of the materials. When materials are damaged but still usable, the Superintendent or designee shall determine a lesser charge.

If it can be demonstrated to the Superintendent or designee's satisfaction that the student or staff has taken all reasonable precautions to safeguard instructional materials and equipment issued to ~~him/her~~them, the Superintendent or designee may excuse the student/parent/guardian/staff from payment of reparation (compensation).

~~If reparation is not excused and not paid by the student or parent/ guardian, the district may initiate due process procedures to withhold from the student his/her grades, diploma and transcripts.~~
