Contact(s):  
Presenter(s): Lisa Steggerda

#### Nature of Action Requested by Board

Board action   
Board information or scheduled report

#### Background Information

Now that the state redistricting plan has been adopted, all municipalities (and counties with unorganized territory) may proceed with reestablishing their precinct boundaries and designating their polling places by March 29 as required under M.S. 204B.14, subd. 3(e).

#### Recommendation

I move to approve the attached resolution re-establishing combined polling places for multiple precincts and designating hours during which the polling places will remain open for voting for school district elections not held on the day of a statewide election.
