Background Information

The purpose of these showcases is to celebrate and highlight the happenings in our schools and district. Each week a member of the Leadership Team will highlight an activity, group or individual from our district.

The highlight of today's meeting is Erin McDonnell & Heather Finholm and Math Buddies.

This year, one of our kindergarten teachers has partnered with a 7th grade teacher as monthly math buddies. Seventh grade math students walk to Sunnyside from Twin Bluff and partner with our kindergarten students in fun math learning tasks.

Those that participated in this group:
