

Consider approval of the Uvalde CISD 2026-2027 Academic Calendar

February 23, 2026

1. Board goal: 1: High Quality Curriculum and Effective Instruction, Domain 2: Effective, Well Supported Staff, Domain 3: Positive School Culture
2. Background:
House Bill (HB) 2610, passed by the 84th Texas Legislature, requires districts to provide a minimum of 75,600 minutes of instruction. The proposed 2026-2027 Academic Calendar meets that requirement.
3. Process: Starting with community feedback, the administration conducted a staff engagement process that included multiple calendar options developed by teachers, an initial districtwide vote, and a subsequent vote-off to clarify staff preference due to a narrow initial margin and the absence of a majority outcome. The vote-off resulted in a wider margin of support, providing clearer staff input while acknowledging differing perspectives on the process. The recommended calendar meets instructional minute requirements, aligns with operational needs, and is presented for Board consideration and final approval.
4. Fiscal Impact: None
