Re: Purchase of Mobile Devices and Carts

I would like to discuss the purchase of Mobile Devices and Carts at the next Committee of the Whole meeting on Monday, June 19, 2017. I would like to recommend the purchase of 4,000 Chromebooks and 100 carts from Presidio (formerly Netch) at a total cost of \$1,407,100. This purchase will be the second round of mobile devices purchased through the 2013 Bond and deployed to all schools throughout the District.

A memo with deployment details from Tim Klan, Administrator of Information Technology, is attached.
