Scope of Work

Voss Lighting shall perform the following work:

For the South Bus Yard:

For Bullhorn / Double Headed Poles -

- Remove (22) HID fixtures, and (11) bullhorns from (11) poles
- Replace with a cap, and drill new holes for the area lights
- Install (11) new LED area lights
- Position each LED area light following the lighting layout

For Single Headed Poles -

- Remove (6) HID flood lights
- Replace with (6) LED flood lights
- Position each LED flood light following the lighting layout

For the East Parking Lot / Front Central District:

- Remove the (4) old fixtures from (2) poles, (2) per pole
- Plug the holes
- Drill new holes in the side of the poles that face the district office, and install the new fixtures. (1) per pole

For the West Parking Lot / Rear Driveway:

- Remove the (6) old fixtures from (3) poles, (2) per pole
- Plug the holes in the side of the pole where fixtures will not be installed
- Install the new fixtures. (1) per pole

For the Fueling Station / Awning Lighting:

- Remove the (6) old fixtures
- Install (6) beauty plates
- Install (6) new canopy fixtures

- Dispose of all old fixtures and all bullhorns

Installation Considerations

Our proposal is based on a normal 8-hour per day, 40-hour per week work schedule. Voss Lighting has included no provisions for shift work or overtime. This proposal does not include an engineering review or any and all upgrades to existing electrical installation(s).

Our pricing is based on our participation in Omnia/NCPA contract #02-83.

Project Financials

Project Value	\$	54,990.00
Less Estimated Rebates	\$	2,320.00
Net Project Value	\$	52,670.00

How to get started

Total Project Value	\$	54,990.00
Down Payment	\$	21,996.00

NOTE: If Project Quotation is approved by Customer, Voss Lighting will then provide a contract for Customer signature. Upon your signature on this contract, product will be ordered and installation scheduled. NOTE: This Voss quote, or its contents in their entirety, must be included as an integral part of a subsequent prime contract, purchase order, work directive, or other legal prime directive.

PROJECT CANCELLATIONS: Should project be delayed or cancelled, may be liable for any additional product cancellation fees, restocking charges, or price increases. Should the project be delayed beyond 30 days from original quotation date, the executed Voss Lighting contract will become void, our pricing will be reviewed for any necessary adjustments related to material and expense costs, labor costs, and other related costs that may be affected, and a new contract presented for Customer signature.

PROJECT PRICE INCREASES: This quotation is based upon current product pricing and installation related costs. Quotation is guaranteed for 30 days from quotation date. After 30 days, our pricing will be reviewed for any necessary adjustments related to material and expense costs, labor costs, and other related costs that may be affected by an extended approval period.

PROJECT WORK HOURS: Unless noted otherwise above, our quotation is based on onsite installation taking place on a normal 8-hour per day, 40-hour per week work schedule. Voss Lighting has included no provisions for shift work or overtime.

PRICE: The quoted price includes all applicable taxes but no other fees that may be associated with this project.

PRODUCT NON-STOCK ITEMS: Some products that we offer are not stock items in our warehouse and are ordered as needed. Such items are 'special order' and have extended lead times and are non-returnable.

PRODUCT DELIVERY AND INSTALLATION DATES: Upon execution of the Voss Lighting contract, we will aggressively process and expedite your project. At that time, product delivery and onsite installation dates will be verified. Voss Lighting cannot accept responsibility for product production delays, delivery issues, and inclimate weather that are beyond our control.

TECL 30854: Regulated by the Texas Department of Licensing and Regulation. PO Box 12157, Austin, Texas 78711. 1-800-803-9292, 512-463-6699.

Concerning costs for goods and services that are part of the pricing quoted herein, in the event of unforeseen direct or indirect price escalation and increases due to general increases, trade tariffs, inflationary factors, increases in precious metals and other commodity items, and the like, all quoted pricing is subject to review and adjustment at the time of order being placed.

Voss pricing is based the assumed voltage at each fixture location being as stated in our proposal and all existing electrical installation is compliant with National Electrical Code and local jurisdiction Code requirements. If actual conditions are found to be different and/or non-compliant after proposal is submitted, Voss reserves the right to evaluate our pricing for cost impact(s) and associated price revision. Because rebate rules vary between utility companies, Voss Lighting cannot fully guarantee that every energy-saving measure included in this proposal will qualify for a rebate. This will be confirmed upon the commencing of project and/or post project utility audit. The estimated rebate amount stated in review of project by Voss and/or information/counts shared with Voss by this proposal are a good-faith estimate based on Customer. Voss shall notify the Customer in writing of such differentials and will submit necessary documentation, showing the difference between the estimated and actual rebate amounts, required for contract adjustment. Voss has not included the cost of performance, payment and maintenance bonds. However, we will furnish these bonds, if desired, for an additional cost.
