Dr. Naccaman Williams	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Support the motion. The academy model will provide options for students. My concern, which is addressed, is that students receive the basics that they need to be successful within the academies. I commend the district in looking at innovated ways to engage students.

Sonya Wright-McMurray	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I am excited to see the growing opportunities for career and technical education, especially in the Delta regions of our state. I look forward to seeing the growth and positive outcomes for Rivercrest High School students. I encourage the district to work with the state CTE office regarding PD opportunities for non-licensure/ permit teachers.
