

**Homedale School District
Transportation and Maintenance**

The High School heating project is moving right along, just waiting for the units to arrive now. I have a new quote on the hot water storage tank. The old quote was \$23,000 and the new quote is \$16,146.00.

We added certified wood chips to the Elementary Playground(\$4,000).

Middle school kitchen needs a new fire door. The cost would be \$6,000. I am working on an alternative to just replace the slats.
